

Presents:

SPOOKTACULAR

A Halloween Themed Science Show

 This 60-minute Show is a thrilling look into the secret world of the Mad Scientist's Laboratory. Come see what's cooking in the Lab...

But Prepare to be SPOOKED!

See Things Like:

- Bubbling Potions
 - Haunted Graveyard Effects
 - Count Eggbert and his Glass House
 - Melting Witch's Head
- ... And MUCH MORE!!!

Hands-On
Discovery Stations

To Compliment Your Show or as an Alternative for Smaller Budgets:

- Fun With Candy— Experience fun science experiments all using candy!
- Slippery Slime... Turn Liquid into Slime & Take It Home!
- Silly Sounds... Explore sounds & change your voice with our Mad Science Effects Generator!
- Optical Illusions... Experience the fun & trickery of Optical Illusions!
- Cotton Candy... Find out how heat affects sugar & taste the sweet results!

Call today to book your Spooktacular Show and give the children in your community an educational treat this Halloween
